Subject: PN deadlines for DB

Thanks, Darcy. One other note – this Friday afternoon (12/2) is the first cut-off date for us to get PN into one of the weekly newspapers by next Friday, 12/9, in order to make the 30 day public notice timeframe for the hearings. Two other small newspapers have cut-offs on Monday, 12/5. Deb raised this at SLT on Monday when DB came up, so Shaun is aware of the 30 day PN requirement but not of these earlier publication timeframes.

I did get your message on Monday about not raising this issue as a 'deadline' – I understand that but wanted you to be aware of this detail.

Thanks – I'll try to stop bugging you now! ☺

Sarah: see the Administrator's request of R9 regarding its issuing a final Class III permit for Florence Copper. Given the proximity of DAPL to DB, Shaun/Deb may hear the same request even though ours are draft permits.

David: thanks for your prompt reply. I realize Part 192 coming up was a somewhat remote possibility, and I trust your briefing went well overall.
